

# YOU'RE INVITED TO THE SEPTEMBER BOARD MEETING

## Community Air Protection Program

### What is AB 617?

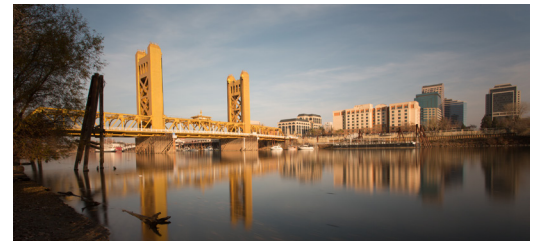

AB 617 requires new community-focused and community-driven action to reduce air pollution and improve public health in communities that experience disproportionate burdens from air pollutants.

### What is happening?

The California Air Resources Board will vote on AB 617 Community Air Protection Program requirements and select first year communities for community monitoring and/or community emission reduction programs.
