

**State of California
AIR RESOURCES BOARD**

EXECUTIVE ORDER H2-21-018

Relating to the Accreditation as an Offset Verification Body of Offset Project Data Reports
under Sections 95132 and 95978, Title 17, California Code of Regulations

Trinity Consultants, Inc.

WHEREAS, the California Air Resources Board (CARB), pursuant to Assembly Bill 32 (the Global Warming Solutions Act of 2006), has established the compliance offset program contained in sections 95800-96023, title 17, California Code of Regulations (CCR);

WHEREAS, the compliance offset program requires the use of independent offset verifiers for the verification of offset project data reports in section 95977, title 17 CCR;

WHEREAS, CARB has established the minimum qualifications for accreditation as an offset verification body contained in section 95132, title 17, CCR;

WHEREAS, the Executive Officer has determined that Trinity Consultants, Inc. has met or exceeded the requirements for accreditation as a verification body in sections 95132 and 95978, title 17, CCR, including:

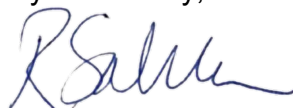

1. Trinity Consultants, Inc. has at least two CARB-accredited lead offset verifiers and at least five total full-time employees.
2. Trinity Consultants, Inc. has provided a list of judicial proceedings or administrative actions filed against the body within the previous five years, if any, with an explanation about the nature of the proceedings.
3. Trinity Consultants, Inc. has a minimum of four million U.S. dollars (\$4,000,000) of professional liability insurance.
4. Trinity Consultants, Inc. has policies and mechanisms in place to prevent conflicts of interest and to identify and resolve potential conflict of interest situations if they arise.
5. Trinity Consultants, Inc. has procedures and policies in place to support staff technical training.
6. Trinity Consultants, Inc. has provided all other information required by section 95132, title 17, CCR.

NOW, THEREFORE, IT IS ORDERED, that Trinity Consultants, Inc. is accredited to conduct offset verification services as an offset verification body for three years from the date of execution of this executive order, provided that the following terms and conditions are met:

1. Trinity Consultants, Inc. must cooperate fully with the Executive Officer or his authorized representative during any audit of the offset verification body or offset project operator or authorized project designee for each offset verification performed.
2. Trinity Consultants, Inc. must provide offset verification services as specified in sections 95977-95979, title 17, CCR.
3. Trinity Consultants, Inc. must comply with the conflict of interest requirements specified in section 95979, title 17, CCR.

BE IT FURTHER ORDERED, this accreditation may be modified or revoked by the Executive Officer as provided in section 95132(d), title 17, CCR.

Executed at Sacramento, California this 27th day of January, 2021.

Ms. Rajinder Sahota, Chief
Industrial Strategies Division
California Air Resources Board
