

SETTLEMENT AGREEMENT

This Settlement Agreement is entered into between the California Air Resources Board (CARB), with its principal location at 1001 I Street, Sacramento, California 95814; and Mrs. Gooch's Natural Food Markets, Inc. d/b/a Whole Foods Market ("Mrs. Gooch's") with its principal location at 207 Goode Avenue, 7th Floor, Glendale, California 91203 (collectively, the "Parties," or individually, "Party").

LEGAL BACKGROUND

- (1) Purpose. The Global Warming Solutions Act of 2006 mandates CARB to adopt regulations to reduce greenhouse gas emissions and to enforce those regulations. (Health & Saf. Code §§ 38560, 38562, and 38580). CARB is also mandated to reduce hydrofluorocarbon emissions by 40% below 2013 levels by 2030. (Health & Saf. Code § 39730.5.)
- (2) Regulation. CARB adopted the regulation, *Management of High-Global Warming Potential Refrigerants for Stationary Sources* (RMP Regulation) to reduce hydrofluorocarbon emissions from stationary, non-residential refrigeration equipment and from the installation and servicing of stationary refrigeration and air-conditioning appliances using high global warming potential (high-GWP) refrigerants. (Cal. Code Regs., tit.17, §§ 95380-95398.)
- (3) Regulatory Provisions. Any person who owns or operates a stationary refrigeration system; or installs, repairs, maintains, services, replaces, recycles, or disposes of stationary refrigeration or air-conditioning appliances; or distributes or reclaims refrigerants with high-GWP, must comply with the applicable requirements of the RMP Regulation. (Cal. Code Regs., tit.17, § 95381.)
- (4) Penalty Provisions. Failure to comply with the regulatory requirements is a violation of state law that may result in penalties up to ten thousand dollars (\$10,000) for strict liability violations for each day in which the violation occurs. (Cal. Code Regs., tit.17, § 95380 et seq.; Health & Saf. Code §§ 38580, 42400 et seq., 42402 et seq., and 42410.)

CASE BACKGROUND

- (5) Corporate Entity. At all relevant times, Mrs. Gooch's was organized under the laws of California and conducted business in the State of California. At all relevant times, Mrs. Gooch's owned a Whole Foods Market store located at 3761 State Street Santa Barbara, CA 93105 (the "Store").
- (6) Allegations. This Settlement Agreement settles Notice of Violation (NOV) RMP 2020-2220, which was issued on October 27, 2020 in connection with the Store. CARB alleges Mrs. Gooch's violated the RMP Regulation by owning or

operating a stationary refrigeration system after January 1, 2011, as defined by the RMP Regulation with a full charge of greater than 200 pounds but less than 2,000 pounds; and failing to ensure that all detected refrigerant leaks are repaired within 14 days of its detection by a certified technician (Cal. Code Regs., tit.17, § 95386(a)) resulting in ten days of violations, as outlined in Notice of Violation RMP 2020-2220. (Cal. Code Regs., tit.17, § 95380 et seq.). CARB alleges that if the allegations described in paragraphs 1 through 6 were proven, civil penalties could be imposed against Mrs. Gooch's for each and every system involved in the violations and each day.

- (7) Acknowledgment. Mrs. Gooch's admits to the facts in paragraphs 1 through 6, but denies any liability resulting from said allegations.
- (8) Consideration. In consideration of the foregoing, and of the promises and facts set forth herein, the Parties desire to settle and resolve all claims, disputes, and obligations relating to the above-listed alleged violations and voluntarily agree to resolve this matter by means of this Settlement Agreement. In order to resolve the violations described herein, Mrs. Gooch's has taken, or agrees to take, the actions enumerated below within the Terms and Conditions. Further, CARB accepts this Settlement Agreement in termination and full settlement of this matter.

for all payment processing fees. Payments shall be accompanied by the Payment Transmittal Form to ensure proper application. CARB shall deposit the civil penalty amount into the Air Pollution Control Fund for the purpose of carrying out CARB's duties and functions to ensure the integrity of its air pollution control programs. - (21) Non-Discharge. It is further agreed that the penalties described in this Settlement Agreement are non-dischargeable under United States Code, title 11, section 523(a)(7), which provides an exception from discharge for any debt to the extent such debt is for a fine, penalty, or forfeiture payable to and for the benefit of a governmental unit.
- (22) Not Tax Deductible. For purposes of this Settlement Agreement, Mrs. Gooch's shall not deduct any monies spent to comply with any provision of this Settlement Agreement in calculating and submitting its federal, state, or local income tax.

- (23) Rules of Construction. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in interpreting this Settlement Agreement.
- (24) Non-Waiver. The failure to enforce any provision of this Settlement Agreement shall not be construed as a waiver of any such provision, nor prevent such Party thereafter from enforcing such provision or any other provision of this Settlement Agreement. The rights and remedies granted all Parties herein are cumulative and the election of one right or remedy by a Party shall not constitute a waiver of such Party's right to assert all other legal remedies available under this Settlement Agreement or otherwise provided by law.
- (25) Intent to be Bound. The Parties represent that: They have participated fully in the review and drafting of this Settlement Agreement; understand and accept all terms; enter into this Settlement Agreement freely and voluntarily; have had an opportunity to consult with legal counsel; are fully informed of the terms and effect of this Settlement Agreement; have agreed to this Settlement Agreement after independent investigation and agree it was not arrived at through fraud, duress, or undue influence; and knowingly and voluntarily intend to be legally bound by this Settlement Agreement.

- (29) Authority. The undersigned represents that he or she has full authority to enter into this Settlement Agreement.

PENALTY BASIS

- (30) Per Unit Penalty. The per unit penalty in this case is a maximum of ten thousand dollars (\$10,000.00) per day under Health and Safety Code section 38580 for violations of the RMP Regulation (Cal. Code Regs., tit.17, § 95380 et seq.). The penalty of \$2,500.00 over ten days of violation is approximately \$250.00 per noncompliant day.
- (31) Emissions. The provisions cited above do not prohibit emissions above a specified level. Without more information, it is not practicable to quantify the excess emissions. However, since CARB has alleged that Mrs. Gooch's did not meet the regulatory requirements at the Store, all of the emissions from it were excess and illegal.
- (32) Aggravating and Mitigating Factors. The penalties in this matter were determined in consideration of all relevant circumstances, including statutory factors as described in CARB's Enforcement Policy. CARB considered whether the violator came into compliance quickly and cooperated with the investigation; the extent of harm to public health, safety and welfare; nature and persistence of the violation, including the magnitude of the excess emissions; compliance history; preventative efforts taken; innovative nature and the magnitude of the effort required to comply, and the accuracy, reproducibility, and repeatability of the available test methods; efforts to attain, or provide for, compliance prior to violation; action taken to mitigate the violation; financial burden to the violator; and voluntary disclosure. Mrs. Gooch's voluntarily disclosed the violation, came into compliance quickly, put into place policies and procedures to prevent similar issues in the future, and fully cooperated with the investigation. The penalties are set at levels sufficient to deter violations, to remove any economic benefit or unfair advantage from noncompliance, to obtain swift compliance, and the potential costs, risks, and uncertainty associated with litigation. Penalties in future cases might be smaller or larger depending on the unique circumstances of the case.
- (33) Confidential Business Information. CARB based this penalty in part on confidential business information provided by Mrs. Gooch's and confidential settlement communications, neither of which are retained by CARB in the ordinary course of business.
