

SETTLEMENT AGREEMENT AND RELEASE

This SETTLEMENT AGREEMENT AND RELEASE (hereinafter "Agreement") is entered into between the STATE OF CALIFORNIA AIR RESOURCES BOARD (hereinafter "CARB") 1001 I Street, Sacramento, California 95814, and GRACIELA MENDOZA (hereinafter "GRACIELA MENDOZA"), 333 Guadalupe Street, Guadalupe, California 93434.

I. RECITALS

- (1) California Health and Safety Code section 44011.6 (HSC § 44011.6) established the Heavy-Duty Vehicle Inspection Program (HDVIP). It authorizes CARB to inspect on-road heavy-duty vehicles for excessive smoke emissions and engine tampering and to issue citations accordingly. The program also requires the vehicle owner to repair its engines that exceed the prescribed CARB smoke opacity standards, perform a post-repair opacity test, and submit proof of repairs and any assessed penalties under the regulations of the HDVIP, chapter 3.5, California Code of Regulations, title 13, sections 2180-2188 (13 CCR §§ 2180-2188).
- (2) HSC § 43701 provides that CARB shall adopt regulations that require owners or operators of heavy-duty diesel motor vehicles to perform regular inspections of their vehicles for excessive smoke emissions.
- (3) 13 CCR § 2190 *et seq.* were adopted under the authority of HSC § 43701 and, with limited exceptions, which are not applicable here, apply to all heavy-duty diesel powered vehicles with gross vehicle weight ratings greater than 6,000 pounds that operate on the streets or highways within the State of California.
- (4) 13 CCR § 2190 *et seq.* authorize the Periodic Smoke Inspection Program (PSIP) which requires the owners and operators of California based vehicle fleets of two or more heavy-duty diesel motor vehicles with gross vehicle weight ratings greater than 6,000 pounds that operate on the streets or highways within the State of California to conduct annual smoke opacity inspections of their vehicles equipped with engines that are four years old or older.
- (5) 13 CCR § 2192(a) requires inter alia that the owner of the vehicle "[t]est the vehicle for excessive smoke emissions periodically according to the inspection intervals specified in section 2193(a), (b), and (c)", "[m]easure the smoke emissions for each test...", "[r]ecord the smoke test opacity levels and other required test information as specified in section 2194..." and "[k]eep the records specified in section 2194 for two years after the date of inspection."
- (6) HSC § 43016 states, "Any person who violates any provision of this part, or any order, rule, or regulation of the state board adopted pursuant to this part, and for which there is not provided in this part any other specific civil penalty or fine, shall

SETTLEMENT AGREEMENT AND RELEASE

CARB and GRACIELA MENDOZA

Page 2 of 7

be subject to a civil penalty of not to exceed five hundred dollars (\$500.00) per vehicle.”

- (7) CARB considers testing, measuring, recording, and recordkeeping to be critical components in reducing excessive smoke emissions from these heavy-duty vehicles.
- (8) CARB contends GRACIELA MENDOZA failed to test, measure, record, and maintain records of smoke emissions for its fleet of heavy-duty diesel vehicles for year 2017 in violation of 13 CCR § 2190 *et seq.*
- (9) In order to resolve these alleged violations, GRACIELA MENDOZA has taken, or agreed to take, the actions enumerated below under "RELEASE". Further, CARB accepts this Agreement in termination and settlement of this matter.
- (10) In consideration of the foregoing, and of the promises and facts set forth herein, the parties desire to settle and resolve all claims, disputes, and obligations relating to the above-listed violations, and voluntarily agree to resolve this matter by means of this Agreement. Specifically, CARB and GRACIELA MENDOZA agree as follows:

II. TERMS AND RELEASE

In consideration of CARB not filing a legal action against GRACIELA MENDOZA for the alleged violations referred to above, and GRACIELA MENDOZA'S payment of the penalties set forth in Section 1 below, CARB and GRACIELA MENDOZA agree as follows:

- (1) Upon execution of this Agreement, the sum of five hundred dollars (\$500.00) shall be paid on behalf of GRACIELA MENDOZA no later than MAY 29, 2020, as follows:
 - \$500.00 payable to the **Air Pollution Control Fund**

The Parties shall exchange signed copies of this Agreement. This Agreement may be executed in counterparts. Facsimile or photocopied signatures shall be considered as valid signatures as of the date hereof, although the original signature pages shall thereafter be appended to this Agreement. **Please send the original signed Settlement Agreement and any future mailings or documents required per the terms of this Settlement Agreement to:**

**Mr. Sidney Lau
Air Resources Engineer**

**California Air Resources Board
Enforcement Division
P.O. Box 2815
Sacramento, California 95812**

Please send the payment along with the attached “Settlement Agreement Payment Transmittal Form” (Attachment A) to:

**California Air Resources Board
Accounting Office
P.O. Box 1436
Sacramento, California 95812-1436**

- (2) If the Attorney General files a civil action to enforce this settlement agreement, GRACIELA MENDOZA shall pay all costs of investigating and prosecuting the action, including expert fees, reasonable attorney’s costs, and costs.
- (3) It is further agreed that the penalties described in “Terms and Release”, paragraph 1 are punitive in nature, rather than compensatory. Furthermore, the penalty is intended to deter and punish GRACIELA MENDOZA for violations of state environmental statutes, and these penalties are payable to and for the benefit of CARB, a governmental unit. Therefore, it is agreed that these penalties imposed on COMPANY NAME by CARB arising from the facts described in recital paragraphs (1) through (9) are non-dischargeable under 11 United States Code § 523 (a)(7), which provides an exception from discharge for any debt to the extent such debt is for a fine, penalty or forfeiture payable to and for benefit of governmental unit, and is not compensation for actual pecuniary loss, other than certain types of tax penalties.
- (4) GRACIELA MENDOZA shall not violate HSC §§ 43701 *et seq.*, 44011.6 *et seq.*, and 13 CCR §§ 2180 *et seq.*, 2190 *et seq.*, and 2485 *et seq.*
- (5) GRACIELA MENDOZA shall comply with one or both of the following options to attend the California Council on Diesel Education and Technology (CCDET I) class, (SAE J1667 Snap Acceleration Smoke Test Procedure for Heavy-Duty Diesel Powered Vehicles) as described on the CCDET webpage, ccdet.org. This class is conducted by various California Community Colleges and instructs attendees on compliance with the PSIP, the ECL regulation and the HDVIP.
 - (a) GRACIELA MENDOZA shall have the fleet maintenance manager (or equivalent) and all staff performing opacity tests for compliance with PSIP and the HDVIP attend the CCDET I class. Proof of CCDET I completion shall be provided to CARB within six months of the date of this Agreement and be maintained in each applicable employee’s file for the term of his or her employment.

- (b) If GRACIELA MENDOZA uses a contractor to perform the annual smoke opacity testing required under the PSIP, in addition to having the fleet maintenance manager (or equivalent) attend the CCDET I course, GRACIELA MENDOZA shall obtain proof that the contractor's staff conducting the smoke opacity tests completed the CCDET I course within the past four years. This proof of CCDET I completion shall be provided to CARB with PSIP records as required by this Agreement and be maintained with the annual PSIP records.
- (6) GRACIELA MENDOZA shall submit copies of all PSIP compliance records for the year 2020 to CARB by January 31 of the following year. **Copies shall be addressed to the attention of Mr. Sidney Lau at the California Air Resources Board, Enforcement Division, P.O. Box 2815, Sacramento, California 95812.** CARB reserves the right to visit any GRACIELA MENDOZA fleet location at any time to conduct compliance audits for the HDVIP and PSIP, or any other applicable CARB program.
- (7) GRACIELA MENDOZA shall complete Low NOx Software Upgrades (reflash) on all applicable heavy-duty diesel engines operating in California and report to CARB within 45 days of this agreement.
- (8) GRACIELA MENDOZA shall remain in compliance with the ECL regulation as codified in 13 CCR § 2183.
- (9) GRACIELA MENDOZA shall instruct all employees who operate diesel-fueled vehicles to comply with the idling regulations set forth in 13 CCR § 2485, within 45 days of this Agreement.
- (10) GRACIELA MENDOZA shall not violate the Truck and Bus regulation as codified in 13 CCR § 2025.
- (11) GRACIELA MENDOZA, by December 31, 2020, shall submit proof of compliance with the January 1, 2021 Truck and Bus deadline, for all regulated heavy-duty diesel vehicles, to **Mr. Sidney Lau, Air Resources Engineer, California Air Resources Board, Enforcement Division, P.O. Box 2815, Sacramento, California 95812.**
- (12) This Agreement shall apply to and be binding upon GRACIELA MENDOZA, and its officers, directors, receivers, trustees, employees, successors and assignees, subsidiary and parent corporations and upon CARB and any successor agency that may have responsibility for and jurisdiction over the subject matter of this Agreement.
- (13) This Agreement constitutes the entire agreement and understanding between CARB and GRACIELA MENDOZA concerning the subject matter hereof, and

SETTLEMENT AGREEMENT AND RELEASE

CARB and GRACIELA MENDOZA

Page 5 of 7

supersedes and replaces all prior negotiations and agreements between CARB and GRACIELA MENDOZA concerning the subject matter hereof.

- (14) No agreement to modify, amend, extend, supersede, terminate, or discharge this Agreement, or any portion thereof, is valid or enforceable unless it is in writing and signed by all parties to this Agreement.
- (15) Severability. Each provision of this Agreement is severable, and in the event that any provision of this Agreement is held to be invalid or unenforceable, the remainder of this Agreement remains in full force and effect.
- (16) This Agreement shall be interpreted and enforced in accordance with the laws of the State of California, without regard to California's choice-of-law rules.
- (17) This Agreement is deemed to have been drafted equally by the Parties; it will not be interpreted for or against either party on the ground that said party drafted it.
- (18) Senate Bill 1402 (Dutton, Chapter 413, statutes of 2010) requires CARB to provide information on the basis for the penalties it seeks (HSC § 39619.7). This information, which is provided throughout this settlement agreement, is summarized here:

The manner in which the penalty amount was determined, including a per unit or per vehicle penalty.

Penalties must be set at levels sufficient to discourage violations. The penalties in this matter were determined in consideration of all relevant circumstances, including the eight factors specified in HSC §§ 42403 and 43024.

PSIP Violations

The per vehicle penalty for the PSIP violations involved in this case is a maximum of \$500.00 per vehicle per violation per year. The penalty obtained for the PSIP violations involved in this case is \$500.00 for 1 violations involving 1 vehicles, or \$500.00 per vehicle per violation.

The penalty was discounted based on the fact that this was a first time violation and the violator made diligent efforts to comply and to cooperate with the investigation.

The provision of law the penalty is being assessed under and why that provision is most appropriate for that violation.

PSIP Violations

The penalty provision being applied to the PSIP violations is HSC § 43016 because GRACIELA MENDOZA failed to test, measure, record, and maintain records of smoke emissions from its fleet of heavy-duty diesel vehicles for the year 2017 in violation of the PSIP regulation in 13 CCR § 2190 *et seq.*, for 4 vehicles. Since the PSIP regulation was adopted pursuant to authority granted in Part 5 of Division 26 of the HSC and since there is no specific penalty or fine provided for PSIP violations in Part 5, HSC § 43016 is the applicable penalty provision.

Is the penalty being assessed under a provision of law that prohibits the emission of pollution at a specified level, and, if so a quantification of excess emissions, if it is practicable to do so.

PSIP Violations

The PSIP provisions cited above do prohibit emissions above a specified opacity or level of g/hp-hr. However, since the hours of operation of the noncompliant units involved and their individual emission rates are not known, it is not practicable to quantify the excess emissions.

- (19) GRACIELA MENDOZA acknowledges that CARB has complied with Senate Bill 1402 in prosecuting or settling this case. Specifically, CARB has considered all relevant facts, including those listed at HSC § 43024, has explained the manner in which the penalty amount was calculated, has identified the provision of law under which the penalty is being assessed and has considered and determined that this penalty is being assessed under a provision of law that prohibits the emission of pollutants at a specified level.
- (20) Penalties were determined based on the unique circumstances of this matter, considered together with the need to remove any economic benefit from noncompliance, the goal of deterring future violations and obtaining swift compliance, the consideration of past penalties in similar cases, and the potential costs and risk associated with litigating these particular violations. Penalties in future cases might be smaller or larger on a per unit basis.
- (21) The penalty was based on confidential settlement communications between CARB and GRACIELA MENDOZA that CARB does not retain in the ordinary course of business. The penalty is the product of an arms length negotiation between CARB and GRACIELA MENDOZA and reflects CARB's assessment of the relative strength of its case against GRACIELA MENDOZA, the desire to avoid the uncertainty, burden and expense of litigation, obtain swift compliance with the law and remove any unfair advantage that GRACIELA MENDOZA may have secured from its actions.

SETTLEMENT AGREEMENT AND RELEASE

CARB and GRACIELA MENDOZA

Page 7 of 7

(22) Now therefore, in consideration of the payment on behalf of GRACIELA MENDOZA to the Air Pollution Control Fund, CARB hereby releases GRACIELA MENDOZA and their principals, officers, agents, predecessors and successors from any and all claims, CARB may have or have in the future based on the circumstances described in paragraphs (1) through (9) of the Recitals. The undersigned represent that they have the authority to enter into this Agreement.
