Instructions and Definitions

Submit the completed form by email to EVSE@arb.ca.gov.

This form is required if you are operating EVSE in California. You can also use this form if you would like to change the EVSE model information. Business contact information is not confidential and may be made available to the public in response to certain legal requests. The following definitions will help you to fill out the above form correctly.

For questions regarding this form, contact the EVSE Standards Regulation: (916) 323-7640.

Company / EVSP Name: This is the legal name of the entity, business, organization, agency, or individual that owns has possession of EVSE, not a third party (i.e., consultants, distributors, sales representatives, etc.).

Electric Vehicle Supply Equipment Manufacturer: This is someone that the *Responsible EVSP has designated as the person responsible for signing official forms by submitting the Designated EVSP form STCD/EVSE to CARB. Once on file, the form does not need to be re-submitted except to designate a new person other than the Responsible EVSP as the person allowed to sign official forms.

Responsible EVSP: Means the entity responsible for operating one or more networked or non-networked EVSE. Operating includes, but is not limited to, sending commands or messages to a networked EVSE; receiving commands or messages from a networked EVSE; or providing billing, maintenance, reservations, or other services to a non-networked or networked EVSE. [Cal. Code regs. Title 13 § 2360, subd. (b)].

Signature: This is the handwritten or electronic signature of the Responsible or Designated EVSP. You may send a digital copy of this form to EVSE@arb.ca.gov.

Note: These instructions provided as a courtesy, but do not supersede or alter the regulation. It is your responsibility to understand and comply with the regulation.
