

Heavy-Duty EWIR Reporting

2009Q4 EWIR Data

- 11 HD manufacturers reporting
- ~700 components reported by HD mfrs
- 176 parts >10%, 8 parts > 100%
- FIRs and EIRs are being submitted
- EIRs should contain emission data
- Staff working to meet with each mfr and pursue corrective action if necessary
- Reporting expected to increase with implementation of HD OBD
